Salt Lake City, Utah 84101-1345

Subject: Authorization to Release Reclamation Surety, Certificate of Deposit, Alan Chew, Chew's Flagstone, S/47/0061, Uintah County, Utah

Dear Ms. Abeyta:

The Bureau of Land Management (BLM) is presently holding a certificate of deposit (CD) as reclamation surety for the Chew's Flagstone quarry. The State of Utah, Division of Oil, Gas and Mining, is named as a co-beneficiary on the CD. The property on which this quarry is located has recently been patented.

The State of Utah requests that the BLM authorize the bank to release the funds which may, 1) remain in the CD pending signing of a CD agreement letter by the bank and Mr. Chew, or 2) be transferred to a new CD which will be held as surety. In no case may the funds be transferred to Mr. Chew without the Division's authorization.

When this transaction has been completed, please supply the Division with confirmation of the CD release. If you have any questions or concerns, please contact Penny Berry at 801-538-5291. Thank you for your help in this matter.

Sincerely,

Paul B. Baker
Minerals Program Manager
